SUNNY DAYS LARGE PRINT STORIES · BOOK ONE

Dot’s Front Porch Mysteries

A session plan for reading groups and activity directors. Twenty-five gentle stories, one per gathering.

How a session works

- Read one story at each gathering, then talk over its Front Porch Question. There are no wrong answers and no test.
- Take turns, with a different reader for each page. The book is set in 16-point type on cream paper, so reading aloud is easy on the eyes.
- Invite everyone to bring a memory: a Green Stamp book, a drive-in ticket, a story about the party line.

Twenty-five stories make about six months of weekly visits. Every story stands alone, so a member can miss a week and lose nothing, and every mystery is solved by the last page.
